One-month Online Transplant Coordination Professional Certificate Course

Sujatha Suriyamoorthi
MOHAN Foundation, India

The one-month online 'Transplant Coordination Professional Certificate' course was successfully conducted in the months of November 2021, December 2021 and February 2022. The participants were from all across India as well as from Nepal. As part of the course, webinars were conducted through the Zoom platform where participants were given the opportunity to interact with experienced transplant coordinators across the country. A total of 111 candidates completed the course in these three batches and received their certificates.
