

## Training

### Online Course on Transplant Coordination Professional Certificate

**Sunil Shroff, Sujatha Suriyamoorthi**  
MOHAN Foundation, Chennai, Tamil Nadu, India

A short-term online course on 'Transplant Coordination Professional Certificate' was successfully conducted by MOHAN Foundation. Two batches were trained during the period from March 2023 to June 2023. The course was designed with online modules and interactive webinars to create an engaging and informative learning environment for the participants.

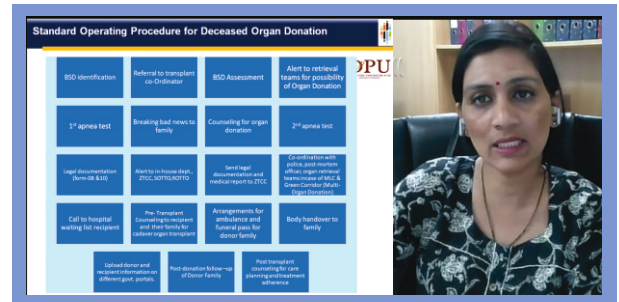

The webinars focused on

- Basic concepts of organ donation and transplantation
- Transplantation of Human Organ Act, Rules and Amendments
- Role of a donor coordinator in deceased organ donation and documentation
- Approaching families for organ donation and case studies
- Living donor transplant coordination – Role of a transplant coordinator
- Role of a transplant coordinator in recipient coordination (Heart and Lung Program)
- Ethical considerations in organ donation

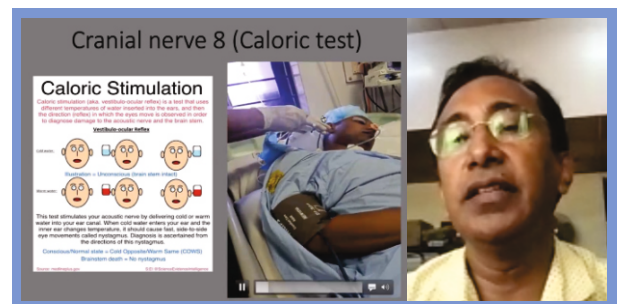

March 2023 – June 2023  
61 candidates were trained from India, Botswana, Ghana, Nepal
