The Madhyavarti of Jawahar Kala Kendra, Jaipur, witnessed a captivating fashion show on August 17, 2023, as part of the campaign "Celebration of Life". The event was jointly organized by MOHAN Foundation Jaipur Citizen Forum (MFJCF) and Community of Dreamers. The campaign culminated in a poignant fashion walk, where donors and recipients graced the runway, signifying the profound bond of life-giving generosity. This evening not only commemorated MFJCF's decade of service but also rekindled a deepened commitment for the years ahead.

The unique event brought together organ recipients, donor families, volunteers, and acclaimed fashion designers with the aim of promoting awareness about organ donation and celebrating the life after transplant. Every model, whether hailing from a

donor family or a recipient or a passionate volunteer, embodied a distinct journey of resilience, gratitude, and the incredible influence of human compassion.

The chief guest for the event was Mrs. Shubhra Singh, Additional Chief Secretary to Government, Rajasthan whose guidance led the state to achieve a remarkable milestone of securing 14.3 million organ donation pledges on Organ Donation Day commemorated in August 2023.
