Team India bagged five medals in various categories at the first Petanque Transplant Asian Open Championship 2023 hosted by the Transplant Sport Association of Thailand from September 21 - 24, 2023 in Bangkok. A team of twelve Indian players representing a range of age groups and categories took part in the game and was led by Captain Mr. Harshvardhan Singh (Rajasthan). All these participants were recipients who had previously undergone various forms of organ transplant procedures. MFJCF (MOHAN Foundation - Jaipur Citizen Forum) provided unwavering support to the athletes from Rajasthan during their participation at the event.
