CME on 'Brain Death and Organ Donation' at Sahyadri Super Specialty Hospitals, Pune

Jaya Jairam

MOHAN Foundation, Mumbai, India

An ICU Workshop was conducted on March 10, 2024 with Maharashtra Medical Council (MMC) credit points, in partnership with ZTCC Pune, for Sahyadri Group of Hospitals in Pune. This event was attended by 160 participants including doctors from the critical care, coordinators, nurses and administrative representatives.

Ms Jaya Jairam, Project Director at MOHAN Foundation gave an 'Overview of deceased donation in India', followed by Ms Sujata Ashtekar, Consultant ROTTO-SOTTO, Mumbai, who spoke on 'Legal framework in India'. In order to stress on the importance of corneal and skin donation after circulatory or brain death, the CME included talks by Dr Pranav More, Ophthalmologist and Dr Jaysing Shinde, Skin Bank incharge at Surya Hospital.

This was followed by extremely engaging talks by Dr Rahul Pandit, an expert in critical care with vast experience in declaration of brain death, on topics of Brain stem death identification and certification, Maintenance of potential brain dead donor and Discussions on common pitfalls and practical considerations in brain death certifications.
