

Retrieval Workshop

Hands-on Cadaver Retrieval and Surgical Training Workshop

Mumbai - June 2024

Dr. Sujata Patwardhan
Director - Incharge
ROTTO-SOTTO, West and Maharashtra

Regional cum State Organ and Tissue Transplant organization ROTTO-SOTTO, West and Maharashtra was established at reputed Seth G.S. Medical College and KEM Hospital, Mumbai in 2017. Under National Organ Transplant Programme [NOTP], the first cadaver tissue retrieval OT and Training center for organ and tissue retrieval was established for the Western Region in April, 2022 at K.E.M Hospital with the following objectives.

- To provide the facility of organ and musculoskeletal tissue retrieval, enabling retrieval of skin, heart valves, and other tissues.
- To conduct the training workshops for retrieval surgeons.

On June 8 - 9, 2024, ROTTO - SOTTO in collaboration with Renal Transplant section USI and Indian School of Urology conducted hands on cadaver workshop on renal transplant and vascular anastomosis workshop at B.Y.L Nair Hospital Mumbai. The program included lectures by eminent faculties and sharing of educational videos. To ensure that every participant could gain practical experience with the retrieval process, no more than two individuals were assigned to each cadaver.
